WORK EXPERIENCE

CTTC

Student intern(web development)   June 2024 - July 2024

I have learned web design through the use of HTML, CSS, advanced CSS techniques, JavaScript, and Bootstrap. As part of my learning, I built several projects, including a **Mind Wellness** website, a **Login Page**, and an **E-commerce website**.

OASIS INFOBYTE

Web development intern   Sep 2024 - Oct 2024

I have acquired proficiency in web development by building web applications using HTML, CSS, and JavaScript. I have also contributed to debugging and troubleshooting various web applications, ensuring seamless functionality. Additionally, I implemented features aimed at enhancing the overall user experience.
